IF I HAVE SEEN FURTHER

It is by standing on the shoulders of giants.

/ ISAAC NEWTON /

Continuous evolution and striving for excellence are inherent features of the Jeep® Grand Cherokee.

The most awarded SUV ever shows even greater attention to details and an expanded range

including the absolute power of the Jeep® Grand Cherokee Trackhawk.

Discover the ultimate driving experience: add more, to your adventures.

/ MASTER OF THE ROAD /

Choose your path.

With its perfect blend of elegance and power, the Jeep Grand Cherokee shows you the world through its unique style and character for an authentic driving pleasure on all terrains and conditions. From a Sophisticated Urban trip, to Extreme Off Road adventures or the thrill of Extreme Performance till the exclusiveness of the Grand Cherokee Special Series. Every road will be yours.

[/LAREDO](#) [/LIMITED](#) [/OVERLAND](#) [/SUMMIT](#)

S O P H I S T I C A T E D U R B A N

/ AUTHENTIC MASTERPIECE /

When the best materials achieve
perfect harmony.

From the Laredo to the superior refinement of the Summit elegance and functionality are perfectly balanced: the Jeep® Grand Cherokee comes with a wide range of hand crafted and exclusive interior options, like leather wrapped seats and dashboards, open pore wood appliqué, real metal accents, new radio with bonded glass and piano black surround, which highlight its excellence and improve the overall driving experience.

DESIGNED TO IMPRESS

The Jeep® Grand Cherokee features a unique and contemporary design. Iconic details, such as the seven-slot grille and the trapezoidal wheel arches, enhance its exceptional silhouette, demonstrating how its legendary past blends perfectly with its innovative new style. This is further emphasised by the Summit Platinum Package with an enhanced appearance including full body colour and platinum finishing.

THE ART OF BEAUTY IN EVERY DETAIL

Refinement is seen in every detail, culminating with the Signature Leather Package available on the Summit trim, where premium Laguna leather with stitching accents is found on the seats, front and rear door armrests and console lid. The interior is finished with upscale real metal accents and high gloss open pore black wood appliques. The wide CommandView dual-pane panoramic sunroof features a power sliding glass front panel and power sunshade enabling you to fully enjoy your road trip.

STYLE IS A MATTER OF CHOICE

The extensive range of interiors and finishing is fully represented in the Summit trim featuring leather wrapped dashboards, wooden fascia, metal accents for vents and central console, and two toned leather seats in a variety of combinations. There are two seating options available to suit personal preferences and different driving styles.

Natura Plus leather is available on both Sport and Comfort seats, while the premium Laguna leather is black with bridle brown accent stitching or ski gray with indigo edge welting.

To improve your driving experience the innovative Active Noise Cancellation system detects and eliminates all engine noise inside the vehicle by emitting opposing sound waves.

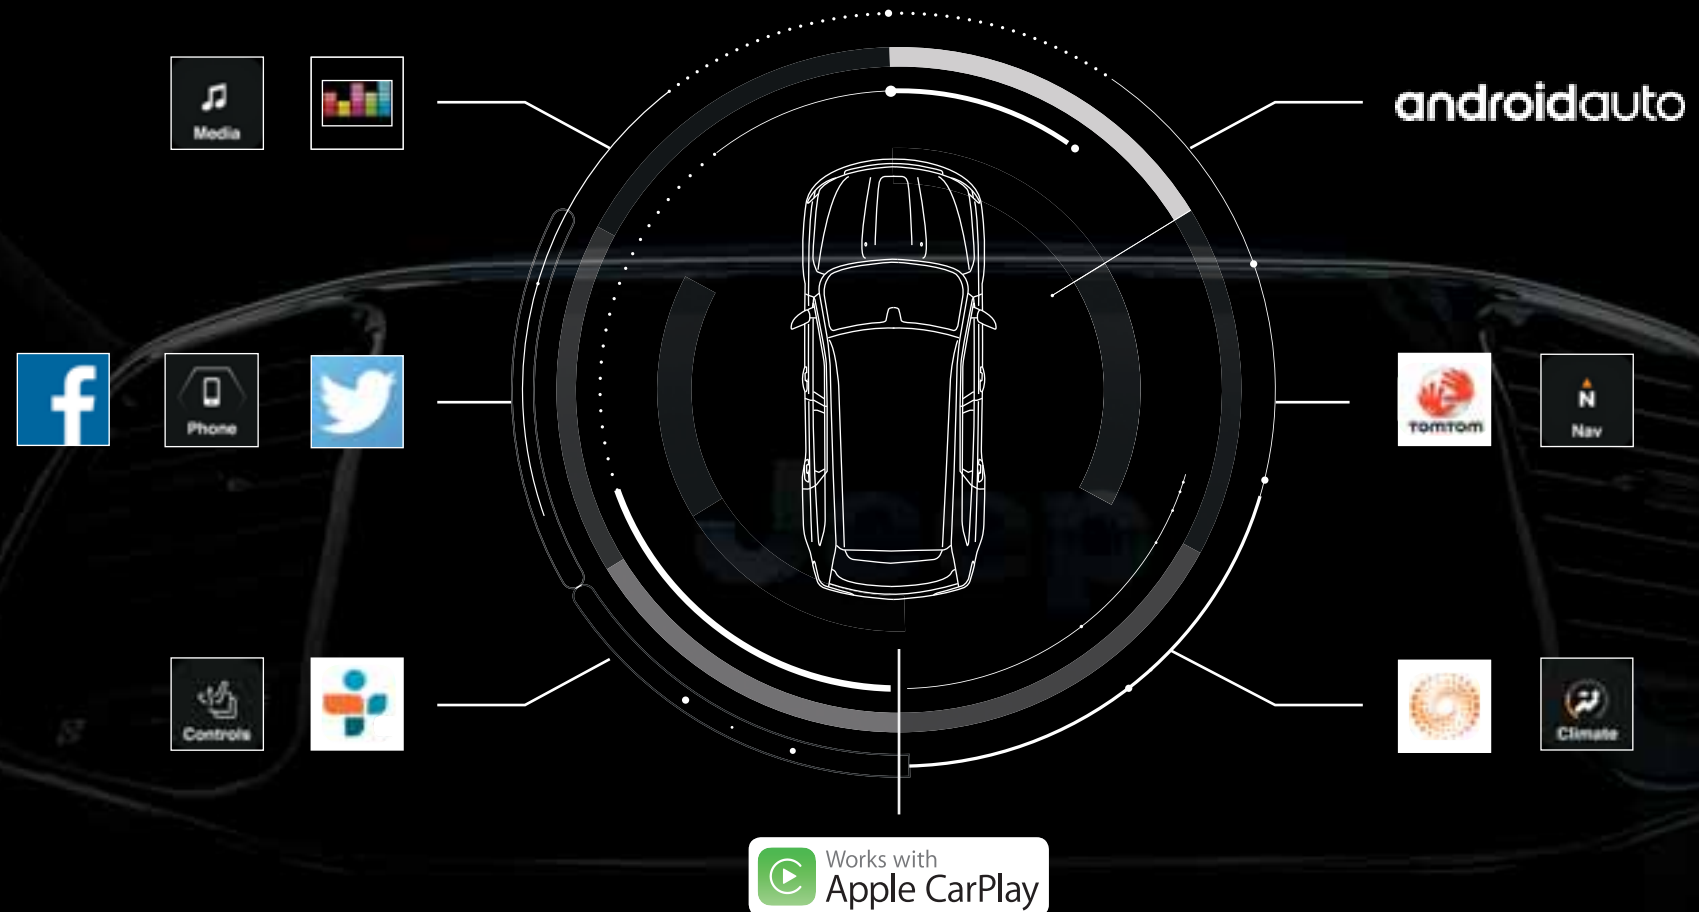

This is standard with the nine-speaker 506 Watt Alpine Audio system as well as on the 825 Watt, 19 Green Edge speakers Harman Kardon Audio system.

Uconnect™

CONNECT YOUR WORLD

/ MAKE LIFE EASIER AT JUST ONE TOUCH /

The Jeep® Grand Cherokee is equipped with the latest version of Uconnect™ 8.4" HD Nav LIVE that features higher resolution, pinch-and-zoom capability, voice command and the convenience of connecting directly with your smartphone.

Apple CarPlay enables iPhone users to access Apple Maps, messages, phone and Apple Music through Siri voice control or Uconnect™ touchscreen. Android Auto™ enables easy and safe access to handsfree voice control, Google Maps and Google Play Music via Uconnect™ touchscreen or steering-wheel controls.*

Uconnect™ Live App gives access to TuneIn radios, Deezer music, Facebook Check In, Twitter, Reuters, Tom Tom Live with real time information on your journey.

* Android, Android Auto™, Google Play and other marks are trademarks of Google LLC. To use Android Auto™ on your phone screen, you'll need an Android™ phone running 5.0 (Lollipop) or higher and the Android Auto™ app.

AUTHENTIC JEEP® CAPABILITY

MEET EVERY CHALLENGE WITH CONFIDENCE,
POWER AND EFFICIENCY THANKS
TO THE LEGENDARY JEEP® BRAND DNA.

The Jeep® Grand Cherokee comes with three different 4x4 traction systems, class-leading Selec-Terrain™, the efficient 8-speed automatic transmission and Diesel and Petrol engines across the various trim levels. The 3.0L V6 MultiJet II Diesel is available with 190 or 250 HP. The high performance 6.4L V8 HEMI with 468 HP is found in the SRT, while the Trackhawk is powered by the ultimate 6.2L V8 HEMI Supercharged delivering 710 HP.

QUADRA-LIFT AIR SUSPENSION SYSTEM

/ QUADRA-TRAC II® 4X4

The Quadra-Trac II® 4x4 system features a two-speed transfer case that uses input from a variety of sensors in order to determine tire slip at the earliest possible moment and take corrective action. When tire slippage is detected, up to 100% of the available torque is instantly routed to the axle with the most traction.

Standard on Laredo, Limited

/ QUADRA-DRIVE® II 4X4 WITH REAR ELSD

The definitive system for capability, the Quadra-Drive® II 4x4 system with rear Electronic Limited Slip Differential, delivers superior all-weather traction alongside the legendary Jeep, vehicle off-road capability.

Standard on Trailhawk, Overland and Summit, and available on the Laredo and Limited with the Off Road Pack

/ QUADRA TRAC ACTIVE ON DEMAND 4WD

The 4x4 system features a massive mechanical “wet” clutch and Electronic Limited Slip Differential in the rear, which allows 100% of the available torque to be sent to one rear wheel. Managing of torque split and suspension damping is accomplished with a dial on the five-mode Selec-Track® system.

Standard on SRT and Trackhawk

/ QUADRA-LIFT® AIR SUSPENSION SYSTEM

This revolutionary system gives total control over suspension by raising the vehicle's ground clearance up to a maximum of 274 mm. It may be reduced by 25 mm for easy entry, exit and loading. The system will raise the vehicle from back to front to help keep headlights focused on the road.

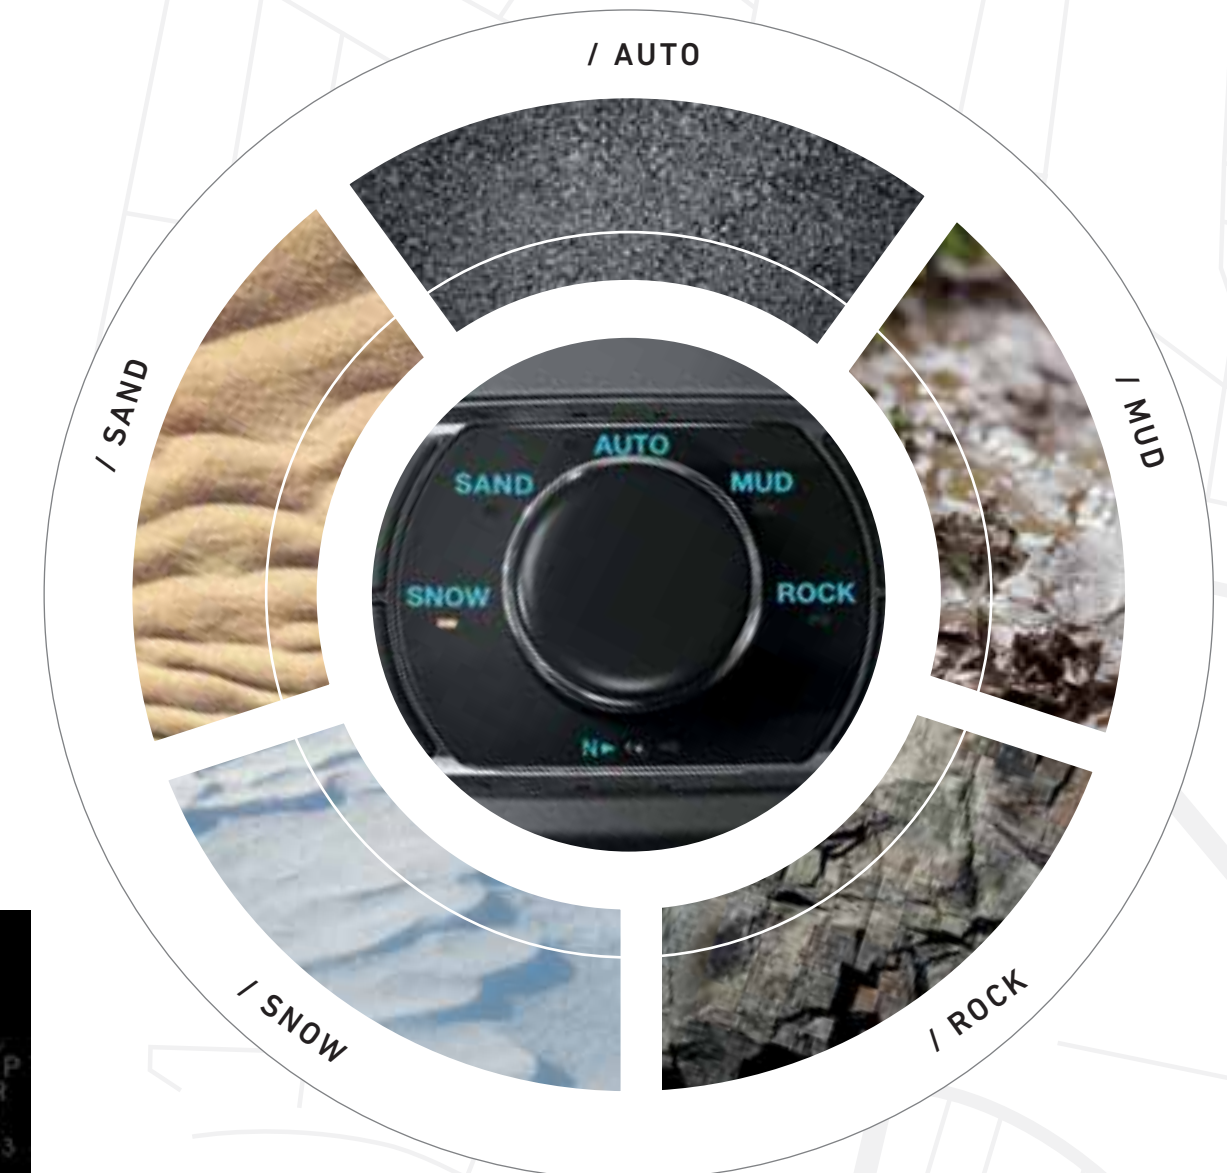

Standard on Trailhawk, Overland and Summit

**DRIVEN BY
INTELLIGENT
CHOICES**

**/ SELEC-TERRAIN™
TRACTION SYSTEM**

The Selec-Terrain™ system adapts traction performance with the use of a dial allowing you to select between Snow, Sand, Auto, Mud and Rock settings. It gives ultimate driving confidence by co-ordinating 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC). Sport mode delivers a more aggressive traction performance and is activated through a one-touch button.

SENSORY SURROUND

/ IT KNOWS WHAT YOU NEED BEFORE YOU ASK /

/ LANESENSE® DEPARTURE WARNING WITH LANE KEEP ASSIST

The system provides a visual and audible warning, plus the additional feedback of torque applied to the steering wheel should the vehicle drift outside of the lane boundaries, or if the driver's hands are off of the steering wheel.

/ BLIND SPOT MONITORING AND REAR CROSS PATH DETECTION -

The space between the Jeep,® Grand Cherokee and other vehicles is monitored when a side or rear blind spot is encroached on, illuminated icons on the wing mirrors or an audible chime are activated. Standard on the whole range.

/ ADAPTIVE CRUISE CONTROL WITH STOP

It automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring the Grand Cherokee to a complete stop without driver intervention to help avoid a collision.

/ FORWARD COLLISION WARNING WITH ACTIVE BRAKING

The sensors detect when the Grand Cherokee may be approaching another vehicle too rapidly and send an audible and visual alert to the driver along with providing 1.5 seconds of brake assistance if the driver doesn't react in time.

/ PARKVIEW® REAR BACK-UP CAMERA WITH TRAILER VIEW

This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, giving you plenty of time to react. You can also keep an eye on anything you're towing while in motion.

/ PARALLEL AND PERPENDICULAR PARK ASSIST

This active guiding system is available to automatically control steering using ultrasonic sensors that help you ease into parking spots. Includes ParkSense® Front and Rear Park Assist sensors.

/ PARKSENSE® FRONT AND REAR PARK ASSIST SYSTEM

Working in tandem with ParkView® Rear Back-Up Camera to show previously hidden objects, this optional brings them to your attention on screen and with an audible warning so you have time to react. When in Reverse, the on-screen image includes a dynamic distance grid to help gauge your rear perimeter.

/GRAND CHEROKEE LAREDO

The Grand Cherokee Laredo offers maximum functionality and comfort featuring cloth seats with matching stitching and Frozen Ice finishing.

/ TOGETHER, WHEREVER /

Perfectly skilled to excel
on all terrains.

Discover the amazing thrill of a true off-road experience with
the most capable Jeep, Grand Cherokee ever: the Trailhawk.

Y E A R N F O R R E A L A D V E N T U R E

The Jeep® Grand Cherokee Trailhawk shows an aggressive appearance with intrinsic strength and superior off-road capabilities. The rugged character is enhanced by specific features such as the badges with red accents, a black anti-glare hood decal, mirror caps and a roof rack with neutral grey accents. The standard 18" Goodyear adventure off-road tires with Kevlar reinforcement, skid plates and Quadra Drive II 4X4 system let you drive wherever you desire.

THE JOURNEY CONTINUES INSIDE

Improve your personal adventure with Trailhawk's interior featuring distinctive leather and suede-trimmed performance seats, complete with suede bolsters to keep you firmly in place; in addition, striking red stitching enriches seats, console and doors. The doors and the console are both leather and suede wrapped, and the interior parts are finished with a brushed Piano Black applique and Gun Metal finish. The Trailhawk badge on the steering wheel completes the interior, and the 8.4" Uconnect™ touchscreen comes as standard with specific off-road pages showing the vehicle's 4x4 real time conditions.

SEEK OUT OFF-ROAD AND UNSEEN SIGHTS

The Jeep, Grand Cherokee Trailhawk boasts an undisputed off-road capability with the Trail Rated badge, tested on some of the toughest trails on the planet, including Rubicon and the Moab Desert. To earn the Trail Rated® badge, it had to go through five different challenging tests: Traction, Maneuverability, Articulation, Water Fording and Ground Clearance. Traction tests its capability to climb the toughest terrains on earth. Maneuverability checks the ability to navigate narrow gaps, dodge emergency situations and avoid cosmetic damage, all thanks to precision steering and optimized wheelbases. Articulation measures how well a wheel can stay on the ground while maximizing traction when the other wheels are elevated due to obstacles. Suspension helps enhance off-road performance by maximizing flexibility, axle articulation and wheel travel. The Trailhawk shows additional electrical and body sealing along with high air intake to resist water and help you navigate streams and flooded underpasses (Water Fording). Finally, Ground Clearance is tested to ensure the capability necessary to overcome obstacles on your path.

/GRAND CHEROKEE TRAILHAWK

Inside Trailhawk's interior, leather and suede adorn the exceptionally cushioned sport seats. Red accent stitching adds distinction to seats, doors and console. Sophisticated Gun Metal finish graces the surrounds, the vents and the console point.

Born to dominate

Outstanding performance, sporty and aggressive stance, distinctive style:
the Jeep, Grand Cherokee SRT and the supercharged Trackhawk give the most skilled drivers
complete control over unique and thrilling experiences.

/ GRAND CHEROKEE TRACKHAWK /

S E C O N D T O N O N E

TAKE IT TO THE NEXT LEVEL: THE JEEP® GRAND CHEROKEE TRACKHAWK
IS BORN TO DEFY PHYSICS

The Grand Cherokee, the most awarded SUV ever, is becoming also the most powerful: Jeep® pushes the limits of SUV performance, challenging everything standard and creating something you've never seen before: the Grand Cherokee Trackhawk.

/// PERFORMANCE NUMBERS /// **710_{HP}** / **3.7"** / **11.6"** / **289** KM/H ///
0-100 KM/H ¼ MILE TOP SPEED

R I S E S T O T H E
C H A L L E N G E

The supercharged 6.2L HEMI V8 engine delivers 710 HP* allowing to accelerate from 0 to 100 km/h in just 3.7 seconds with its specific fierce exhaust roar accompanying the acceleration. It is sure to give you the ultimate driving experience supported by the Bilstein adaptive damping suspensions, 20" light weight titanium-finish wheels and the high performance Brembo brake calipers, featuring the largest front brakes ever offered on a Jeep.

* Power measured according to the ECE R85-00 regulation certified by Rijks Dienst Wegverkeer (RDW; Netherlands)

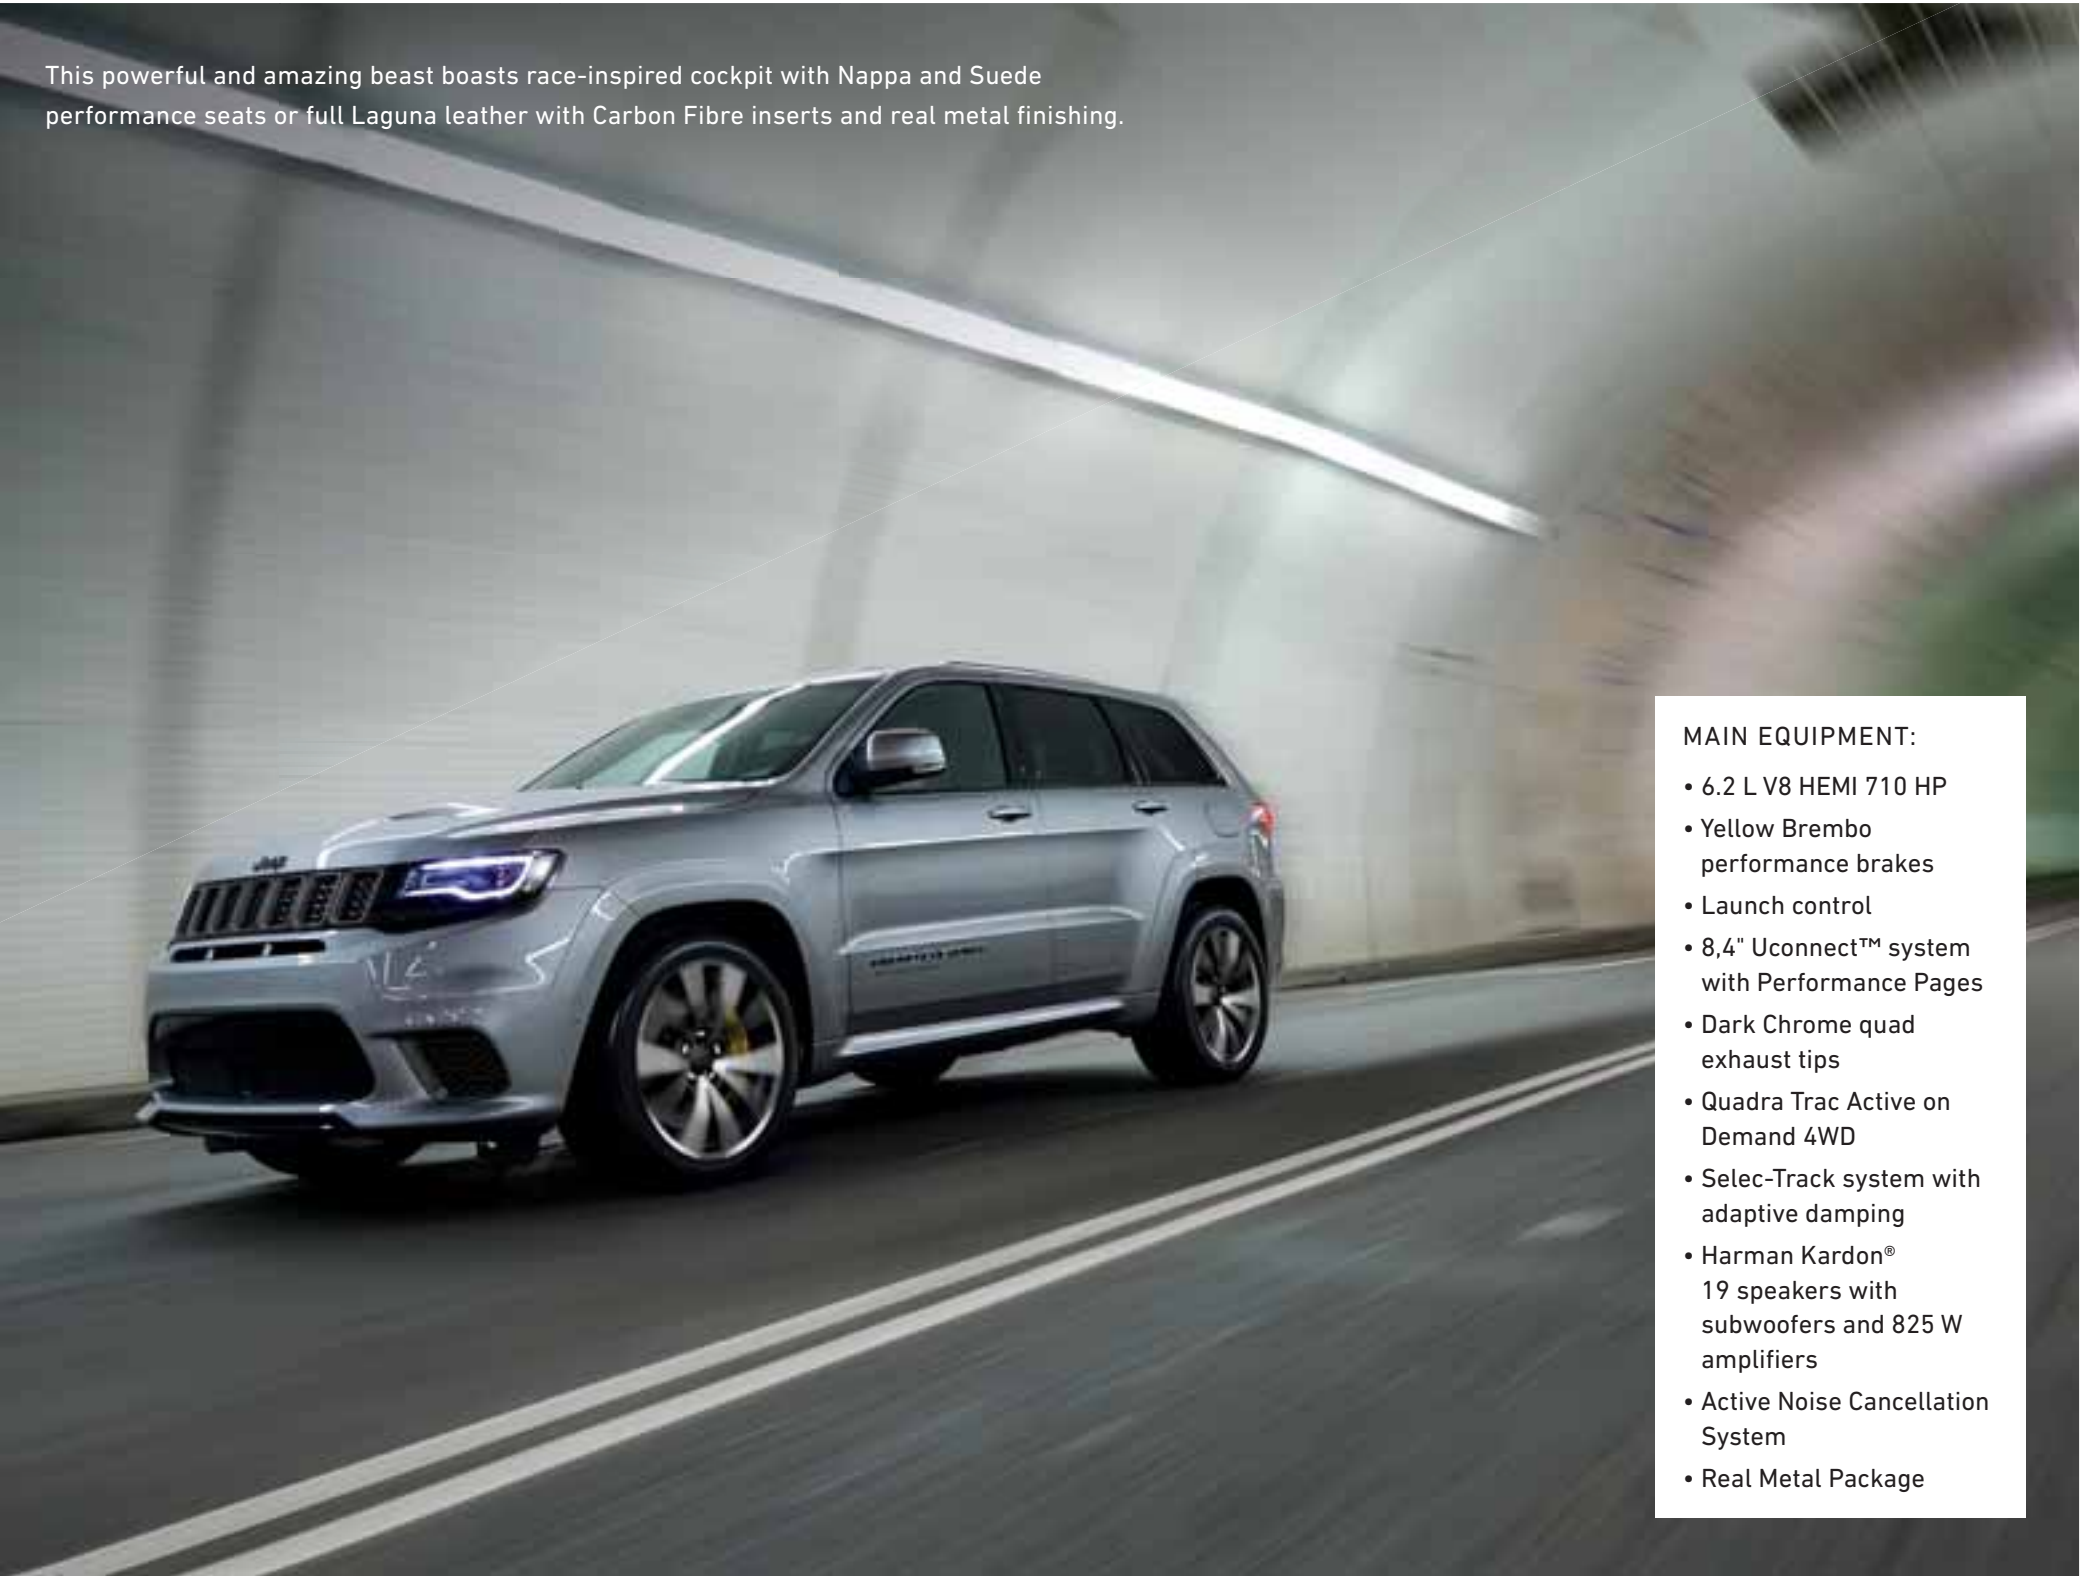

UNLEASH THE RACER IN YOU

Its stunning exterior design has an equally remarkable interior: race-inspired seat bolsters grip you during the high-speed maneuvers keeping you in place and in control of every curve. Carbon fiber accents enhance the interior design, as do the optional premium Laguna leather seats with the embroidered "Trackhawk" logo and the upscale real metal accents. The new Uconnect™ 8.4" features Performance Pages showcasing an array of performance timers and gauge readouts. Experience the unique thrill of acceleration with the standard Launch Control, that optimizes the Grand Cherokee Trackhawk's performance by coordinating engine, transmission, driveline and suspension for a textbook launch and a consistent straight-line acceleration.

/GRAND CHEROKEE TRACKHAWK

This powerful and amazing beast boasts race-inspired cockpit with Nappa and Suede performance seats or full Laguna leather with Carbon Fibre inserts and real metal finishing.

ITS BOLD STYLE REVEALS AN AUTHENTIC HIGH-PERFORMANCE SPORTS CAR

The Jeep® Grand Cherokee SRT is born to leave its mark: the aggressive exterior is designed to optimize airflow and cooling, the active four-wheel-drive system with adaptive damping utilizes high performance Brembo brakes and the powerful 6.4 L HEMI V8 engine with 468 HP provides thrilling acceleration from 0 to 100Km/h in less than 5 seconds.

EXTREME DRIVING EXPERIENCE

Race-inspired interior features sport seats in Nappa leather and perforated Ultrasuede inserts. A distinctive SRT shift knob complements the flat-bottomed SRT steering wheel, while a carbon fibre inlay is matched with a 7" Driver Information Digital Cluster Display. The specific Selec-Track with up to 5 different modes for different driving conditions and the Launch Control system, allow you to maximize the driving performance.

/GRAND CHEROKEE SRT

Race-inspired components like the leather seats with suede inserts and high side bolsters, the premium carbon fibre inlay, the leather-wrapped and flat-bottomed steering wheel, give the Jeep Grand Cherokee SRT a more aggressive appeal.

DEPARTURE ANGLE (DEGREES)	24°- 27.8° with Quadra-Lift in Off-Road 2	
BREAK OVER ANGLE (DEGREES)	19°- 23.5° with Quadra-Lift in Off-Road 2	
GROUND CLEARANCE (MM)	218 mm (front) - 274 mm with Quadra-Lift in Off-Road 2	
WATER FORDING (MM)	508 mm	

The specification (B) indicates the value of CO₂ and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153.

The CO₂ and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO₂ and fuel consumption may not reflect the actual values of CO₂ and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected and/or size of tires selected.

/GRAND CHEROKEE	6.4L V8	6.2L V8
ENGINE RANGE	6.4L V8 HEMI	6.2 V8 HEMI
EQUIPMENT	SRT	Trackhawk
DISPLACEMENT (CM³)	6417	6166
EURO EMISSION CLASS	Euro 6d-TEMP	Euro 6d-TEMP
POWER HP	468 HP @ 6250 rpm	710 HP* @ 6000 rpm
POWER KW	344 kW @ 6250 rpm	522 kW @ 6000 rpm
TORQUE (NM)	624 Nm @ 4100 rpm	868 Nm @ 4800 rpm
TRANSMISSION	8-Speed Automatic	8-Speed Automatic
TRACTION SYSTEM	Quadra Trac Active on Demand 4x4	Quadra Trac Active on Demand 4x4
EMISSION CO ₂ (G/KM) COMBINED	338	395
FUEL CONSUMPTION (L/100KM) URBAN	21.4	25.4
FUEL CONSUMPTION (L/100KM) EXTRA URBAN	10.7	12.3
FUEL CONSUMPTION (L/100KM) COMBINED	14.6	17.1
TOWING CAPACITY BRAKED TRAILER (KG)	2949	2949
LENGHT / WIDTH / HEIGHT / (MM)	4846 / 1954 / 1749	4846 / 1954 / 1749
WHEELBASE (MM)	2915	2915
PERFORMANCE (0-100 KM/H) (SEC)	5	3,7
TOP SPEED (KM/H)	257	289
WEIGHT (KG)	min 2418 / max 2458	min 2531 / max 2558
APPROACH ANGLE (DEGREES)	18.4°	18.4°
DEPARTURE ANGLE (DEGREES)	21.9°	21.9°
BREAK OVER ANGLE (DEGREES)	17.8°	17.8°
GROUND CLEARANCE (MM)	203 mm	203 mm
WATER FORDING (MM)	508 mm	508 mm

The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle. In cases where the values of CO₂ and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.

*Power measured according to the ECE R85-00 regulation certified by Rijks Dienst Wegverkeer (RDW; Netherlands).
